List of Teachers – Spring 2020

Attending Online Classes

1. To attend the online classes open Zoom application in your desktop, laptop or mobile.
2. Join the class by giving Meeting ID of the corresponding teacher. Write both your ID and name in the Name field using following format (C000000 - NAME). Enter password if it is asked. Most of the cases, no password will be required. Your teacher may provide a Meeting ID different from his personal Meeting ID.
3. Join the class at the designated class start time of your corresponding section.
4. Keep yourself 'mute' when class is going on. If you want to ask a question or answer a question then you should 'unmute' yourself. Most of the time, your teacher will do it for you.
5. It is highly recommended to use a headphone instead of a speaker. If you use a speaker, then keep its volume to extreme low when you speak.
